Improve your home's comfort and reduce energy costs with our Home Performance with ENERGY STAR® program.

1. **Schedule a home energy audit.** A participating contractor will inspect your home and use state-of-the-art equipment to detect energy leaks. As a Delaware resident, your audit (a \$400 value) is just \$100!*
2. **Make home improvements.** Have your contractor install the recommended upgrades, which might include sealing air leaks, adding insulation or upgrading A/C and heating equipment.
3. **Get rebates up to \$7,825 for qualifying home improvements and equipment.** Plus, you'll save on energy costs season after season.
4. **Enjoy low-interest loans up to \$25,000 at 5.99% APR** for terms up to 10 years through Renew Financial for qualifying Delaware homeowners.

Visit EnergizeDelaware.org/Home or call (877) 524-1339 for participating contractors or to speak with an Energy Advisor.

*Restrictions apply. Visit EnergizeDelaware.org/Home or call for full details.
