

BPW FINANCIAL COMMITTEE MEETING

7/22/22

Attached are the updated Lewes BPW Policies table of contents that were approved during our regular meeting 6/29/22.

Noted with red asterisks are the Policies, identified by the Board during prior extensive reviews, that were referred to the Finance Committee for further review and possible Policy modification recommendations to the Board.

Our overall strategy is to review the asterisked Policies as an ongoing part of our meeting agendas. We also want to include time for separate, distinct fiscal related issues to be reviewed and discussed as may be timely appropriate.

With respect,
Richard Nichols, BPW Treasurer
