

FLUSH THIS, NOT THAT!

ONLY flush toilet paper and human waste. Toilet paper is designed to disintegrate in water.

DON'T FLUSH

- ✗ Wipes
- ✗ Napkins
- ✗ Paper Towels
- ✗ *Flushable* Wipes
- ✗ Feminine Products
- ✗ Medical Products

These items can cause blockages in septic systems and central sewer facilities, potentially causing sewage backups in homes and businesses.

**Be a Good Neighbor &
Don't Put Wipes
in The Pipes.**
