RE: 4" TEST WELL PRICING  
ACSD QUOTE JO#630

Dear Mr. Calamin:

Per your recent conversation with Mr. Rick Schultes of our firm, A.C. SCHULTES OF DELAWARE, INC. is pleased to quote you on installing a 4" x 150' test well including the following:

- Well construction permit and completion report processing to Delaware Department of Natural Resources and Environmental Control
- 8 ¾" x 155' mud rotary borehole with ditch samples taken every 5'
- Electronic logging of borehole to determine screen placement
- 125' of 4" sch 40 PVC casing with clay grout installed
- 25' of 4" sch 40 PVC screen, slot .030 with #2 gravel pack installed
- Well development
- Test pump installation and removal
- Twenty-four (24) hour flow test and twelve (12) hour recovery test to determine well capabilities utilizing an In-Situ electronic data logger

- Water quality testing for primary and secondary drinking water standards
- Sieve analysis of ditch samples by independent screen manufacturer
- Technical Data Report including design recommendations for Production Well construction

TOTAL COST TO PERFORM THE ABOVE SUBJECT WORK. . . . . \$21,315.00

Thank you for allowing our firm the opportunity to submit a proposal on this project. Our payment terms are Net 30 Days. All unpaid invoices beyond 30 days will be assessed a 1.5% finance charge per month. We also accept Visa and MasterCard credit card payments. If payment is made with a credit card, please add 3.5% to total invoice amount for credit card processing. This proposal may be withdrawn or renegotiated by our firm if not accepted within 30 days.
