

Surplus Equipment (3.4 of BPW Policies)

1995 GMC Versalift (40ft bucket truck)

- Low Miles but high hours (diesel motor)
- Hydraulic lines need completely replaced. Coating is coming off and some are leaking.
- Bucket needs repair and/or replacement.
- Frame is in need of attention with signs of rust/corrosion.

Staff recommendation is to list/sell/starting bid for **\$7000.00. (As is/where is) We do have interest in it, but we can list it on our website for 7-10 days to see if it generates further interest.**
